

RESUME

Biographical Information

Name: Tian Yuan

Mobile: (86)134-7285-4119

E-Mail: doriatianchina@gmail.com

Address: RM 1407, 12 BLDG, No.1882, Yan'an RD, Changning District,
Shanghai, China, 201620

Birthday: 07/09/1987

Politics Status: Member of the Party

Education: Doctor Candidate

Education Background

- 2012/09-Present **Doctor Candidate Decision and Analysis on Economy Donghua University**
► Research subject: financial innovation system
► Major In: Advanced Macroeconomics And Microeconomics, Econometrics, Management, *Ect.*
- 2010/09-2012/06 **Postgraduate Material Engineering Donghua University**
► Top1 Scholarship "Zhou Huasheng" in 2011
► Excellent postgraduate of Donghua University in 2011
► Research subject: Preparation of the LMPM / PP composite fiber for anti-radiation
- 2007/09-2010/06 **Second Bachelor Economy & Trade Shanghai Institute of Foreign Trade**
► Research subject: Development of International factoring in China's export trade
- 2006/09-2010/06 **Graduate Polymer Material Donghua University**

Research Achievements/Project Experience

- 2013/06-Present ► Involved in project of National Nature Science Fund of China "Study on value network modular design and value creation model of creative industries cluster".
- 2012/09-2014/03 ► Involved in project of ministry of science and technology "The development of e-commerce technology financial services", project No. 12Q10848, cooperated with "CITIC Bank".
- 2013/08-2013/09 ► Attending International Conference of LISS^{3rd} held at Reading University in British.
- 2012/09-Present ► Tian Y, Zhu S Z*. **Pre-evaluation of financial innovation product base on unascertained mathematics theory**[J]. *Financial Theory & Practice*, 2(415):59-62.
► Zhang L Z, Tian Y*, Zhu S Z, Gao C C. **The financing innovation pattern based on supply chain finance: a case study in Chinese steel industry**[C]. *International Conference on Logistics, Informatics, and Service Science*. 2013(Aug), 281-285.
► Tian Y, Chen W, Zhu S Z*. **The Coupling Degree Prediction between Financial Innovation Process and Innovation Environment based on GM(1,1)-BPNN**[C]. *6th International Conference on Intelligent Human-Machine Systems and Cybernetics*, 2014(Aug), Accepted.
► Tian Y, Chen W, Zhu S Z*. **Coupling Mechanism between Financial Innovation Process and Financial Innovation Environment**[C]. *2014 International Conference on Information Management, Innovation Management and Industrial Engineering*, 2014(Sep), Submitted.
► CHEN W, TIAN Y, YANG Y X*. **Decentralized and Centralized Supply Chain Decision-making of low Salvage Value Products with Price-postponement Strategy**[C]. *2014 International Conference on Management Science & Engineering*, 2014(Sep), Accepted.
- 2011/03-2012/05 ► Invention patent "Preparation of the shell-core composite fiber for anti-radiation" No. 201010602884.X
- 2010/09-2012/03 ► Invention patent "The Preparation of the new generation of high performance fiber—TLCP fiber" No. 201110022183.1

Activity Experience

- 2013/06-2013/10 Beijing Bank, Shanghai Branch, Department of Investment **Intern**
► Financing, Underwriting
- 2010/09-2011/09 The 12th "Challenge Cup" National Science and Technology College of Extra-Curricular Academic Competition **Project Leader**
- 2010/09-2011/09 Shanghai University Students' Invention "Technology & Incubation Cup" **Project Leader**
- 2010/09-2011/09 "KeMeng Cup" Paper Series of Donghua University Excellent Paper Award
- 2010/09-2011/09 The Party Branch of Material 104 **Minister of the Party Branch**
- 2010/09-2011/09 Art Department of the Postgraduate Student Union **Vice Minister**
- 2010/05-2010/09 Shanghai Expo 2010 Space & Home Pavilion **VIP Reception**
- 2006/09-2008/07 The Youth League Branch of 0605 **Minister of the Youth League Branch**
